### **6. WHAT HAVE I GOT TO OFFER YOU?**

Through my experience as a Head Scout I can fully coordinate, counsel and train your (youth) scouts. What's more, I can build the proper organisation that fits your club. I can organise and chair meetings. Furthermore, I am an expert in organising matches and tournaments, and in cost-effective planning. Seeing as much as possible in as little time as possible. And so much more. I would love to show you my presentation about the Workshop Football Scouting to show you what I have got to offer.

Not to mention that because of my extensive experience in professional scouting I possess an even more extensive portfolio of players that I have seen and assessed live!

### **7. UNIQUE CONCEPT IN SCOUTING; SCOUT SCOUTS THE SCOUTS!**

Twice a month I give the Workshop Football Scouting, which means I can add on and extend my already extensive network of scouts, trainers and technical staff in the Netherlands and Belgium. This means a 100% coverage!

In my workshops I meet the new talents in scouting, so this scout scouts the scouts! They, too, have the passion and knowledge required for this great profession and the quality of scouts at your club will increase dramatically.

### **8. HOW CAN YOU HIRE ME, WHERE CAN YOU EMPLOY ME?**

Scouting players is the 2nd best job in the world. The best job is being a professional player yourself. Football is played all over the world, so I am available all over the world. But you can also appoint me to do a specific region, like for instance, Holland, Belgium and Germany. Highest level, second highest level, reserve teams, under 19s, under 17s, you name it!

I can do the planning for this myself, of course after consultation. I can work full-time or part-time. It goes without saying that I will not work for possible competitors or rival clubs. With a full-time employment I can offer you the total Unique Concept. And are you looking for players? Let me know, I can always assist in thinking!

### **9. WHAT ARE MY TERMS?**

Full-time, part-time, anything is possible. I can work on project basis, I can give second opinions, ad hoc. The combination with the workshop is unique!

### **10. WHY WOULD I BE OF ADDITIONAL VALUE TO YOUR CLUB?**

Well, why not? I am the first approved trainer for scouts in the Netherlands. Take a look at my website [www.workshopvoetbalscouting.nl](http://www.workshopvoetbalscouting.nl). But do not wait too long.

Your club is about to embark on a unique cooperation with a scout who scouts both players and scouts and can provide a thorough organisation. A formula for success!

Not to mention that because of my extensive experience in professional scouting I possess an even more extensive portfolio of players that I have seen and assessed live!

#### 11. AND WHAT DOES IT COST?

I can answer that question if you invite me for an interview. But let me tell you that the question is not how much it costs, but how much it yields!
